

SILVER

JUNIOR DUKE

LOCKDOWN CHALLENGES

On this page, you will be able to keep teachers up to date with the challenges you have completed in your Silver Junior Duke Award. For each challenge, there is a 'check' box. If you mark each challenge as done, we will be able to see how many of them you have completed.

This is what we hope you will do:

- Complete a challenge
- Take photos as you go
- Write up the self assessment
- print the photos and stick them into your Junior Duke Journal
- take one photo of that challenge's double-page spread to attach as a file onto this task
- tick off the checklist for that particular challenge

Once you have completed all 7 of your chosen tasks, please email waughd@hutchesons.org so that we can keep a good record of who is to receive their certificates, Bonza Bonus Points and badges on our return to school.

If your parents use Twitter, a tweet [@DukeAwards](#) [#juniorduke](#) with your photos would be brilliant. Or if they are Instagram users, [@dukeawards](#). Thank you.

Swimming

Obviously, this is impossible just now as all pools are closed but, after lockdown, things will gradually open up again.

☐ I have completed my Swimming Challenge

Cookery

Cooking is a great thing to do when we are all stuck at home. Unfortunately you can't take in a portion to have it tested by Mrs Deery in the kitchen so ask a very strict parent to test it and make comment on it please!

☐ I have completed my Cookery Challenge

Eco Challenge

As you can't go further than two miles from your house just now, think of a good route around your streets and, wearing gloves to protect yourself and maybe even taking the BBQ tongs to pick up the litter, see how much you can clear your local environment. Make sure it goes straight in the bin and wash your hands thoroughly afterwards. I look forward to seeing how much litter you can pick up.

☐ I have completed my Eco Challenge

First Aid

As we are getting no Heartstart lessons at the moment, this is a great thing to practice in the house with your family. Take plenty of photos and think up lots of different scenarios so that you really have to think how to respond.

☐ I have completed my First Aid Challenge

Interest

As you have so much time on your hands, learning to sew is the perfect way to while away the hours. I look forward to seeing your creation as well as your neatly sewn on button and name tag.

☐ I have completed my Interest Challenge

Domestic Challenge

It may just be your close family who are coming to dinner but try really hard to set the table as ornately as you can. You have all day to do it so I'm expecting great things!

☐ I have completed my Domestic Challenge

Music

You will have plenty of time to practice your instrument and to learn some new tunes so please ask a parent to video your performance and email the link (they may have to upload it to Youtube and can choose their privacy settings).

☐ I have completed my Music Challenge

Drama

Reading to a P1 class will be difficult as we are not in school just now. However, you could video your reading and have it ready on a pen drive so that you can take it along to play to an Infant class when we all return to school. Ask your parents if they can upload it, compress it and send it through Firefly (this may be tricky so, if they are having difficulties, let me know so that I can ask our IT Helpdesk for advice).

☐ I have completed my Drama Challenge

ICT Skills

Unfortunately this party invitation can't be for real because we aren't allowed to meet with friends! Instead, you can go crazy and think up the most amazing, imaginative party you might like and create an invitation. Make it as colourful and crazy as the party idea!

☐ I have completed my ICT Skills Challenge

Modern Languages Challenge

Writing - This is a great thing to do whilst self isolating. Instead of it being a postcard from an amazing holiday, be honest about what you are doing at home and why you are there.

Poem or song - you have plenty of time to practice. You could use the 'voice memos' app on your parent's phone to record your performance.

Music - Have fun practising then ask a parent to video your performance. I am sure Mrs Ritchie and Mrs Stark would love to see you.

☐ I have completed my Modern Languages Challenge

Once you have completed seven of the ten challenges and attached the seven photos of the completed pages, email me: waughd@hutchesons.org to let me know you are finished. I will be able to check through your attachments and keep a record of your achievement for when we return to school. Congratulations!

Once you have sent me your photos, I will pop them into the gallery below. See if you feature!

Patience! I am awaiting photos. The Gallery will grow as people send me their photos - please only send one of each challenge or my email will explode as I have the whole of P2 to P7 sending in evidence of their challenges!
